## DIVINE LOVE: BRINGS PEACE TO YOUR HEART

*By Dennis Calhoun*

**D**ivine Love. Two words that bring peace of mind to all that hear them, after all, what's to argue with, remember the Beatles even said, "All you need is love."

Yet we seem to question everything in life. What is it? What will it do for me? Where can I get it? How much will it cost? How often have you heard these questions?

To gain a common understanding of Divine Love let's answer these common questions.

### 1. What is Divine Love?

It is unconditional love, giving without expectation. We have two cats, Maxie and Minnie, and two dogs, Kyna and Brogan. Now I don't know about your cats, but Max lets us know just how he feels. When he wants loving, it's a sight to behold, but be late with supper or take him to the vet and the love isn't there for a while. On the other hand, our dog Brogan just gives love all the time, always grateful, never demanding. One look in the eyes and

your heart opens fast. That's unconditional, or divine love.

### 2. What will it do for me?

Divine love paves the way home to God, the source of all love. It can bring balance and joy to your life and reduces the burdens of responsibility each of us carries. Divine love is also the ultimate source of health; the key to resolve past karma (cause and effect) and living this life without creating Karma.

### "Law of Love, One of the spiritual laws of life

"It is the great law of life: SOUL exists because God loves It. Everything revolves around love. To get love, you must give love; and Do unto other as you would have them do unto you.

"The Law of Love supersedes Karma. This is part of the secret doctrine of ECK. The Law of Love alone can carry you to God."

# DIVINE LOVE—THE HIGHEST FORM OF LOVE *By Jacquie Jetton*

It has been such a treasure to learn so much in my dreams. I have known dreams are important, but the ECK has taken me step by step into learning the deep meaning for me in this lifetime. The ECK is showing me in beautiful colors and feelings, the different people who have been important to me in this lifetime. I see them and hear them from a higher place and that is inexplicably wonderful.

How beautiful are the workings of God? Love, in all its truth is the voice of Soul and Soul speaks divine love in its infinite ways.

“If you want to go to a higher state of direct knowingness... Simply chant divine love, letter by letter. D-I-V-I-N-E L-O-V-E. This means you seek the highest form of love, which brings all blessings to you.”
