HU, A Living Prayer

By Jimmy Leon Bishop

In this world I walk alone
With no place to call my home
But there's one who holds my hand
Through rugged roads in barren lands
The way is dark, the road is steep
But It opens my eye so I may see
The strength to climb, my grief to bear
Mahanta lives inside me here

In God's love I find release
A haven from my unbelief
So take my life, let the blessings be
A living prayer I sing to Thee

In these trials of life I find
Another voice inside my mind
Comforting me, IT bids me live
Inside the love that SUGMAD gives
In Its love I find release
A haven from my unbelief
Take my life and let the blessings be
A living prayer I sing to Thee

Take my life and let the blessings be
A living prayer, SUGMAD I sing to Thee.

Secrets of Spiritual Healing:

A Secret to Spiritual Living

"Spiritual healing brings harmony, clarity, and balance to mind, heart, and spirit. It also means change. What are we willing to accept or do to become more whole?

In some way, we need to accept more of God's Light and Sound into our being. This is the ECK, the God Current. When It enters your heart, Soul lives by a new law, a new vibration of love and wisdom.
HU opens the door to your full radiance as a spiritual being."
—Sri Doug Kunin, the Mahanta, the Living ECK Master
